D(i) Justification Note

M/s. Ramshree Construction Company, Kodibag, Karwar had taken forest land to an extent of 0.494 ha. In F.Sy.No: 52A1 for stone quarrying dumping area and approach road from National Highway in the year 2012. The lease is for 10 years.

But due to expansion of National Highway-66(17) to lane, they have acquired the part of the approach road which on lease to our company. Also because of safe zone criteria, I cannot carry on quarrying in 200 mts. From NH. Hence, I have to abandon the existing FC diverted quarry area. It hampers my long time business and I have to supply raw materials to my client as per my commitment.

As per Deputy Commissioner, Uttar Kannada, Karwar letter vide No.RB/FOR/CR-55/2017-18 dated 07-02-2018, there is no suitable non forest land for the purpose of stone quarry.

Uttar kannada district being a forest district. Where 80% of the total area is under forest cover, there is no suitable non-forest land for the purpose of stone quarrying.

There is huge demand for stones for public purpose like, road development and other public purpose. There is acute shortage of the stone in the district.

Hence it is request to consider my proposal for providing 8.80388 ha. of forest land in F.S.No: 52A1 in Arga village, Karwar Taluk, Uttar Kannada District on lease basis.

Thanking You,

Date :
Place : Karwar

Yours faithfully,

The proprietor
