Explanation.--In this Schedule, wherever any amount, specified in the fifth column against a coal mine, has been declared in the foot notes to include also the amount payable in relation to one or more other coal mines, all the coal mines in relation to which such amount has been specified in the said column as payable, shall be deemed, for the purposes of this Act, to constitute a group of coal mines.

STATEMENT OF OBJECTS AND REASONS

Coal is the most important indigenous source of commercial energy in India. It is available in adequate quantities in India, though much of it is poor in quality and the reserves are unevenly distributed among different regions of the country. With the nationalisation of 214 coking coal mines in Bengal-Bihar region, the development of metallurgical coal was brought under the control of the Government except in case of captive coal mines of the private steel plants. The non-coking coal mines, however, continued to remain in the hands of the private sector. These collieries were small in size, financially weak and worked on unscientific lines, the colliery owners' sole object being to earn quick profits without any regard to the conservation and safety of mines or to meet their obligation to the workers. This resulted in the stagnation of production in many collieries and closure of many others. It was envisaged that in order to meet the anticipated demand of coal in 1978-79 the private sector alone would have to contribute an additional quantity of 19 million tonnes requiring an investment of Rupees 100 crores, which was beyond the capacity of the private sector in the existing circumstances. Accordingly, it was decided to nationalise all the non-coking coal collieries.

As this process was likely to take some time, the Central Government took over, in the public interest, the management of the non-coking coal mines, pending nationalisation through promulgation of the Coal Mines (Taking Over of Management) Ordinance, 1973 (No. 1 of 1973) which has since been replaced by the Coal Mines (Taking Over of Management) Act, 1973 (No. 15 of 1973).

The present Bill seeks to complete the process of nationalisation of the coal mines by providing for the acquisition by the Central Government of the right, title and interest of the owners thereof.

NEW DELHI;
The 7th May, 1973.

FINANCIAL MEMORANDUM

Clause 8 of the Bill provides for the payment, in cash, by the Central Government, to the owners of the coal mines, an amount equal to the amount specified against each such mine or group of mines in the Schedule to the Bill, for vesting in the Central Government the right, title and interest of the owner in relation to such mine or group of mines. The total estimated amount involved on this account is likely to be of the order of Rs. 30.35 crores.

2. Sub-clause (1) of clause 9 of the Bill provides for the payment in cash, by the Central Government, to the owners of such mine a further amount equal to the amount which would have been, but for the retrospective operation of the provisions of clauses 3 and 5 of the Bill, payable to such owner under the Coal Mines (Taking Over of Management) Act, 1973 (No. 15 of 1973), for the period commencing on the 1st day of May, 1973, and ending on the day on which the Bill becomes an Act. The amount involved on this account is estimated at Rs. 7.50 lakhs per month.

3. Sub-clause (2) of clause 9 provides for the payment of simple interest on the amounts referred to in clause 8 at the rate of 4 per cent. per annum for the period commencing on the date on which the Bill becomes an Act and ending on the date on which payment of the said amounts is made to the Commissioner of Payments. It is estimated that the interest payments in terms of the provision of the said sub-clause are likely to be of the order of Rs. 10.12 lakhs per month.

4. Under clause 17 of the Bill, a Commissioner of Payments will be appointed by the Government, with adequate staff to assist him, for the purpose of disbursing the amounts payable to the owners of each non-coking coal mine. The salaries and allowances of the Commissioner of Payments and his staff and expenditure on office and establishment will be defrayed out of the Consolidated Fund of India. The estimated expenditure on this account is likely to be of the order of Rs. 30,000 per month.

5. The Bill, if enacted, is not likely to involve any other recurring or non-recurring expenditure.

MEMORANDUM REGARDING DELEGATED LEGISLATION

Clause 34 of the Bill empowers the Central Government to make rules to carry out the provisions of the Bill. Such rules may provide for matters, such as—

(a) the manner in which the coal mines shall be managed by a Government company or a Custodian;

(b) the manner in which monies in any provident or other fund referred to in clause 15 shall be dealt with;

(c) the form and manner in which the statement of accounts referred to in clause 19 shall be prepared.

2. The matters in respect of which rules may be made are generally matters of procedure and administrative details and it is not practicable to provide for them in the Bill itself. The delegation of the legislative power is, therefore, of a normal character.

S. L. SHAKDHER,
Secretary.
