PART-1

(To be filled by user agency)

1. Project Details:

(i) **Short narrative of the proposal and project/scheme for which the forest land is required:**

Bihar state is progressing on the path of rapid development. As basic, physical and social infrastructure is improving significantly, economic development is also taking place at very fast place. The economic development of society coupled with increased prosperity levels results into increased power consumption levels. It is anticipated that per capita power consumption in Bihar will increase significantly and reach to the national average level in years to come, thereby increasing power requirement manifold. The power transmission system for Bihar state is being developed and strengthened to cater such increased power requirement.

The Subject transmission line is part of Power transmission system development and strengthening scheme of Bihar State being implemented under Phase IV part – I of the Bihar State transmission system strengthening & development programme. The subject line when executed will improve power availability reliability and quality significantly in Buxar district and its nearby areas/districts. More than 10 Million people are expected to be directly benefited from the line through improvement in quality of power. A part from it indirect benefits to the education, economy, trade, commerce, industry and agriculture are immense.

The above line cross the Road(Raghunathpur-Bramhapur), Road (Barbhatara-Kisagar), Road (Bhojpur-Majhwari Gautam), Road(Bhojpur-Belamohan) are notified forest lands hence utilization of land in 27 mtr corridor of the line will be required.

(ii) **Map showing the required forest land, boundary of adjoining forest on a 1:50000 scale map:**

Enclosed as Annexure- 1.

(iii) **Cost of the project: 3.38 Crore Approx.**

(iv) **Justification for locating the project in forest area:**

The above line are crossing over the thin strip of forest lands on both sides of Road(Raghunathpur-Bramhapur), Road (Barbhatara-Kisagar), Road (Bhojpur-Majhwari Gautam), Road(Bhojpur-Belamohan) could not be avoided

(v) **Cost- benefit analysis:** Enclosed at Annexure-3

(vi) **Employment likely to be generated:** This project is a part of TW02 phase IV part II of the Bihar State Transmission System strengthening and development program. With the completion of this project the power availability reliability and quality improve significantly in Buxar district and there nearby areas / districts thus industries in these regions will grow and employment will be generated in large numbers.
