

JUSTIFICATION

To avoid frequent supply interruption in Mynakulam - Kombukuthy area, Kerala State Electricity Board Limited is proposing to lay 1.3 km of Under- Ground Cable from Kombukuthy to Mynakulam. The proposed work will be fruitful for 121 Scheduled Tribe families, and the general public. After completing the work 24X 7, a reliable electric supply will be available in this area. The project cost for the entire work will be supported by the KSEB Ltd.
