

Proposal of forest clearance for construction of bridge of two span (2×15'×8' and 20' wide size) over Harhi Nala in village- Korwamadai Panchayat- Chungru Block Barwadih Dist- Latehar State-Jharkhand

(1) Justification:-

This project is of outmost importance and need for development of Panchyat- Chungru Panchyat- Barkadih Panchyat- Ganeshpur of Barwadih Block- under Dist- latehar (Jharkhand). These Panchyats are situated at remote area of naxal affected Dist- Lateahr (Jharkhand). Due to lack of communication people suffered a lot in 3 months of rainy season. Medical emergency and law in order problem is always there due to lack of define rout to travel to their villages and district head Quarter. Approximately 15000 to 20000 people well be directly benefited after construction of above bridge. Certainly it will also uplift the living standard and basic requirement of poor Adiwasi people of this area. Gram shabha has passed resolution to construct the above bridge on 01-04-2019 by Shri Krishna Singh Pradhan of Gharam panchyat chungru Block- Barwadih, Latehar
