

JUSTIFICATION FOR LOCATING THE PROJECT IN FOREST LAND

I/we National Highway Authority of India, PIU- Chhindwara are proposing for Development of Economic Corridors, Inter Corridors, Feeder Routes and Coastal Roads to improve efficiency of Freight Movement in India (Lot-1/Madhya Pradesh/Package-1) From Harda to Betul Design Chainage Km 30+000 to Km 81+000 in the State of Madhya Pradesh.

We are implementing this project with an object to improve the existing National highway (NH-47). This will strengthen the existing transportation service, economic development, agricultural facilities and facilitate better connectivity in the region.

We have finalized the proposed alignment taking into consideration the used (diversion) of minimum forest land and to safeguard the regional ecology.
