

### **Justification**

It is certified that the Land for Laying of 300mm  $\phi$ , 400mm  $\phi$  and 750mm  $\phi$  DI Pipes for Implementation of GSWSS (Phase III) funded under JNNURM now AMRUT is initially planned along the side of the NH-40, 7<sup>th</sup> Mile, Upper Shillong.

However, due to the ongoing litigation with regard to the Proposed Road Expansion along NH-40, the work could not be taken up as the new realignment of the route of pipelines shall have to pass through Forest Land. Since the Project is of Great Public Importance for Providing Potable Drinking Water to Shillong Urban Agglomeration, the location as mention hereinbelow may be kindly accepted and approved.
