ELECTRIFICATION OF ANGANAWADY - KURISUPALLY

Anjuruli- Thamarakadu area (Anganawady - Kurisupally) is situated under Kanchiyar Grama Panchayath in Idukki district of Kerala State. For the electrification of Anjuruli-Thamarakadu, a work was proposed as Electrification of Anganawady Kurisupally area which requires construction of 1.75km S ph LT line in which 0.56km S ph LT line has to be constructed through the forest land for giving service connection to 43 families. There is no other way for drawing the line since Anjuruli- Thamarakadu area is surrounded by the Forest. Hence an area of .168 ha forest area is required for completing the work.
