

FULL JUSTIFICATION FOR LOCATING THE PROJECT IN FOREST AREA
(UN-AVOIDANCE OF THE FOREST AREA FOR THE PURPOSE)

Mudimiyal Kancha, Farmers & Farm - House Association is having about hundreds of acres of agriculture land in Mudimiyal Village, which is adjoining to the Reserve Forest. We are using the existing cart Track to reach the said land to carry out day to day agriculture work. The existing track is in use from our ancestral days.

All of a sudden, recently the local forest department have obstructed us and other for using the said road, claiming that the said portion of land is forest and also proposed to dug out a trench.

As there is no option for us to reach out agriculture land and in order to avoid any further legal complications, we are proposing for diversion of the existing road in our favour to a length of 193 meterrs and with a width of 10 meters.

Total Forest area involved will be 0.20 acres.ie., 0.08 Hectares.
