

Check List Serial No. 9

JUSTIFICATION FOR LOCATING THE PROJECT IN FOREST AREA.

3.2322 Hectare of forest land is required for **C/O Domehar Navi Km 0/0 to 5/241**. For the construction of this road **3.2322 hectare** of forest land is required to be diverted.

Two alternative alignment were examined but same are not technically feasible because in the another alignment large no of trees are come in the alignment & required more land and rejected. The proposed link road necessarily pass through forest land because there is no non forest land is available. Hence there is no escape from using the forest land.
