The Divisional Forest officer
Forest Division
Batote

Sub: Justification for forest land to be diverted for construction of link road from Peerah (NHIA) to kameti under NABARD-RIDF-XXVII.

Sir,

The above said road was sanctioned under NABARD- RIDF-XXIV at a cost of Rs 418.19 lacs for a length of 2.00 kms. The road is leading to the targeted habitation of 5000 souls of villages Peerah, Turtal, kund and Kameti. With the construction of this road, the availability of modern farming techniques is bound to increase the yields of crops. However the forest area can't be avoided as the alignment proposed is the only feasible alignment provided vital road connectivity.

Hence the diversion of the forest land is the only choice to construct the above said road. The report is submitted for further necessary action at your end please.

Yours faithfully

Executive Engineer
PWD(R&B) Division
Ramban
