

# Reliance Jio

Infocomm Limited

## Justification for location the Project in forest land and details of alternatives examined

M/s Reliance Jio Infocomm Ltd (A company Promoted by Reliance Industries Ltd), formerly Infotel Broadband Services Ltd have got license to operate 4th Generation Broadband Wireless Access Services (4G) and implement Fibre to Home Networks across 23 States.

With a view to ensure connectivity, company is laying Optical Fibre Cable along the road side as per the agreed policy of Government of India and as per GO No. 1485/ 9-2012-161a/12 dated 15.10.2012 issued by the Chief Secretary, Government of UP.

Since, the Fibre is to be connected end to end between the stretch District Dehradun along road at Hill Side on NH 7 Raipur to Ranipokhri Chowk length 20.9 km and Ranipokhri to Natraj Chowk 3.8 KM and Ranipokhri Chowk to Jangalat Chowki 9.2 KM Total 33.9 KM and Total area 0.205 Ha. In forest division of Dehradun in District Dehradun. UK and the same stretch falls under Forest land hence the permission to lay Optical Fibre Cable is being required. It is the minimum requirement of Forest land and there is no alternative for this Forest land.

We have done survey and found that there is no alternate route available to lay the fiber and to connect the same with other end. Hence it is requested that permission may kindly be granted.
