No:RDWS&S/SD/R/EFL/TL/2018-19.

JUSTIFICATION

The Project involves supply of drinking water to Palbhavi and other 4 villages in Raibag taluka for which a jackwell is under construction on the banks of Krishna River near Tamadaddi village in Jamakhandi taluka.

For lifting of water from Jackwell and filling the Water Treatment Plant of Sultanpur Village in Raibag taluka, there by supplying through gravity needs supply of Electric power. And for which the proposed Transmission line, running through Teradal forest area is the only alternative. After verification no Alternative land is available and its only land available for this Project.

Hence the project is proposed as detailed there in.

Place: Raibag Assistant Executive Engineer

Date:

R.D.W.S&S Sub-Divn Raibag.
