

JUSTIFICATION OF LOCATING PROJECT LAND IN FOREST LAND

The project for New Industrial Estate at Ukhrul District, Manipur has been taken up under MSE-CDP Scheme of Ministry of MSME, Govt. of India as a Central Govt. Project, with Department of Commerce & Industries, Govt. of Manipur, to ensure economic upliftment of the region through industrialization at the grassroots level. However, there is a lack of industrial infrastructure in the district and it is critical to establish industrial infrastructure in order to achieve economic emancipation. The present site at TM Kasom is well connected, and is strategically located, making it an ideal site for establishment of an industrial estate. Alternative lands were looked for but were not available.
