1:50,000
 HEIGHTS & CONTOURS IN METRES
 CONTOUR INTERVAL 20 METRES

Water features are shown in blue where they generally contain water. Shaded areas are colored green. The exterior boundaries of areas of forest are shown in green, but prominent surveyed areas are in black.

Contours are represented by a relative height. The number between the top and bottom of a steep slope indicates areas are colored green. Shaded areas are colored green. Shaded areas are colored green. Shaded areas are colored green.

Notes: 1. The 1:50,000 scale numbers being used, and the 1:50,000 scale numbers are shown in light type. 2. The 1:50,000 scale numbers are shown in light type.
