

**OFFICE OF THE ASSISTANT COMMISSIONER PANCHAYAT POONCH**

**JUSTIFICATION LETTER**

The project for construction of road from Hari Katha to Moh Sheikhan in Bufliaz Block has been sanctioned under B2V3 Scheme. And it passes through forest land, and it will provide connectivity to rural habitats. Since this is the only alignment possible as per available gradient, therefore diversion of forest land cannot be avoided, and it is minimum forest area required for the project. Hence the diversion of the forest land is the only choice to construct the road.
