

Office of Under Secretary (Home-I)

The matter is about Freedom Fighters Memorial at Patradevi. The Hon. Chief Minister, in his address to the Freedom Fighters and general public in attendance at function organized on 15th August, 2012 had spelt out need to develop the place appurtenant to the Martyrs memorial. In this regard, the following proposals are delineated for kind consideration of the Government.

- 1) We may explore the possibility of setting up of a small museum dedicated to the life of prominent freedom fighters of Goa on the lines of Mahatma Gandhi Museum in New Delhi. The Museum shall also have a small auditorium, where program held every year on 15th August can be conducted.
- 2) We may also explore the possibility of appointing a consultant through GSIDC for suggesting a development plan for the area and the Martyrs Memorial.

Submitted Please.
