

Laying of 8" CS and 125mm MDPE gas pipe line at various roads, Bhopa Road Transport Nagar to Jat Mujheda PWD Ch. Km. 79.400 to Km. 85.900 (Length 6.500 Km) and Jansath Flyover to Pawar Dharam kanta Sikheda NH 709 AD Ch. Km. 97.450 to Km. 104.450 (Length 7.000 KM) total length Km. 13.500 and Total length hectare 0.6750 in social forestry division Muzaffarnagar by Indraprasth Gas limited, New Delhi.

### JUSTIFICATION FOR ROUTE SELECTION

Laying of natural gas pipeline in Muzaffarnagar Districts is a linear project proposed pipeline does not passed any reserve forest except road side strip plantation (declared as protected forest) which cannot be avoided.

The selected route is optimized considering the above factors and connectivity between supply sources and consumer location.

However since we have proposed to lay pipeline parallel of road, under the road ROW (declared as Protected forest) which are unavoidable.
