"The triangulated heights and contours in this sheet have been adjusted to the heights of the retriangulated benchmarks, and may not be strictly in accordance with them.

The elevations given on the map, along roads, railways and canals are shown in their original form, i.e., as they were when the map was first published, and are not corrected for any subsequent changes in the level of the ground.

The area adjoining the Brahmaputra River is liable to change owing to continual accretion in the course of the river and changes in the level of the river bed.

All unenclosed roads shown on the map are shown as they were when the map was first published, and are not corrected for any subsequent changes in the level of the ground.

Boundaries of Reserved Forests have not been shown for want of information.

The boundaries of the administrative subdivisions, shown on this sheet, are based on the information supplied by the Deputy District Officer, Assam, and may not be strictly in accordance with the actual boundaries.
