

-:: AUTHORITY LETTER ::-

Diversion of 0.0554 ha. of forest land for laying underground pipeline for potable drinking water supply purpose from S.No.0 Bin No pt.1 of Sangodara to S.No.57/1A/pt.8/pt.1 Village:- Sangodara, Taluka:- Talala, District:- Gir Somnath, Gujarat State. (ha.0.0554 use of forest land)

I Shree Rajdeepsinh Chandrasinhji Jethwa would like to inform you that, I am a farmer in the village of Sangodara (Gir), Taluko Talala, District Gir Somnath, I am owner of the 0.0554 hectare Agriculture land of Survey No. No.57/1A/pt.8/pt.1 of Sangodara (Gir) village. There is a big problem with potable drinking water in our farm. There is no available drinking water facility by far. because of which I have been in trouble for many years. so that acar 0.02 Gutha Hiran River west land of Sangodara (Gir) allotted to me from Collector Junagdh office order No.LND/1/C/7673/2011 Dt.28/12/2011. The drinking water supply through underground pipeling But the forest area comes in pipeline's route. (The route of the pipeline is parallel to the Sangodara to Chitravad Road way) there fore, it is necessary to make a proposal under forest conservation Act. 1980 for obtaining prior permission from the competent authority.

In the circumstances outlined above, under the Forest Conservation Act of 1980 necessary proposals are being prepared for seeking prior permission from the competent authority, in this regard no other person has to give authority because I am the owner of the farm & I'm proposing so no one has been given the authority.

Your faithfully

(Rajdeepsinh Chandrasinhji Jethwa)

Place:- Sangodara (Gir)
