NOTES :-

Heights are in metres and above Indian mean sea level.  
Contours are approximate.  
The triangulated heights and contours in this sheet have not been adjusted to the heights of the spirit-levelled bench-marks and may not be strictly in accordance with them.  
Cart-tracks in this sheet against which there is no descriptive remark are generally jeepable in dry season.  
Tanks, shown dry in this area, usually contain water from July to November.  
Wells are numerous throughout the cultivated portions of this sheet; only the more important ones have been shown.

been shown.
