Upload a copy note containing details of the plan for the transportation of the minerals proposed to be raised from the mining lease.	
Choose File: No file chosen	

Proposed use of the minerals to be raised from the mining lease

This is to certify that:

- i) No mineral will be raised from the area (168.948 ha). The area proposed for diversion shall be utilised only for dumping of overburden proposed to be generated from Sukurangi and South-Kaliapani Chromite Mines.
- ii) As no mineral will be raised from the said area, the plan for transportation of the mineral does not arise.
