

JUSTIFICATION

The project titled 'Development and Improvement of Jagun Namchik Miao Road (Assam Portion) including Bridge No. 9/1 over Namchik in Tinsukia District [Job No – Margherita_NERSDS_2019-20-01]' has a social and economic importance for the population of Jagun and Miao, as this is the only road connection Jagun in Assam to Miao in Arunachal Pradesh. As, the project involves construction of a bridge over Namchik river and as bridge construction sites are specific to geology and river bank shape so no alternate alignment was planned. Moreover, there is an old bridge next to the proposed bridge and as it cannot be destroyed, hence avoiding the 0.0956 Ha of forest land is not possible and is the barest minimum forest land required for the project.
