

1.6 Geo-Referencing of Forest land

After application of geometric corrections (geo-referencing of cadastral), the forest land patches were extracted from individual cadastral map as per land schedule provided by M/s PWD, JASHPUR.

Illustrative results indicating geo-references of different types of forest land boundaries are placed below.

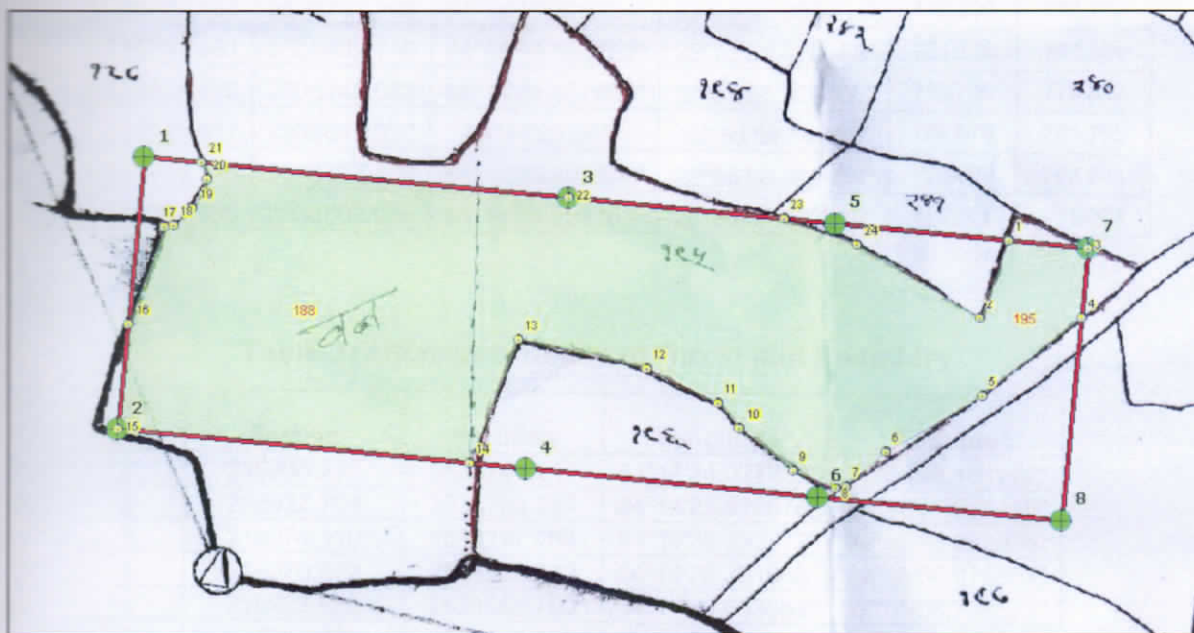

Fig-6:Geo-referenced Forest Land

Table-1: Area Description

Sl No	Name of Division	Village Name	Khasara No	Map Area (Ha.)
1	Jashpur	Turilodam	188	1.975
2			195	2.389
Total				4.364
