Date: 28.06.2016

To,
The PCCF/Nodal Officer (Forest Conservation),
Forest Department,
Aranya Bhawan, Patna.

Sub: Submission of proposal of tree enumeration for 132 KV Gaya (New) – Bodhgaya - Wazirganj LILO transmission line crossing at Khizarsarai – Atri road & NH-82 (Gaya – Wazirganj - Hisua – Nawada road) under Gaya forest division, work associated with Strengthening of Transmission System in Bihar-Phase-IV (Part-1).

Dear Sir,

For strengthening of power transmission network in State of Bihar, Bihar State Power (Holding) Company Limited and Power Grid Corporation of India Limited have formed A Joint Venture Company in the name of Bihar Grid Company Limited (BGCL) on 50:50 Equity Participation Basis. Accordingly, BGCL had been issued the requisite Transmission License under Section 14 of Indian Electricity Act'2003 by Bihar Regulatory Commission and authorization conferred by Govt. Of Bihar for laying of transmission lines under section 68 & 164 of Indian Electricity Act'2003 for transmission scheme covered under Phase-IV Part-I and Part-II

The above 132 KV Gaya (New) – Bodhgaya - Wazirganj LILO transmission line is for connectivity of new 220/132/33 KV Gas Insulated sub-station at Village – Hemara, Khizarsarai, Gaya. In the surveying, route alignment great emphasis is given on Forest and Environmental aspects. However some plantation on road sides maintained by Forest deptt. on the land of PWD/NHAI could not be avoided at some places.

For the above, we have identified and marked such land on 1: 50000 Topo Sheet map of Survey of India. The list of Roads along with details of trees and area coming in line corridor have been prepared and enclosed herewith for your kind reference. All required documents in this regard are enclosed herewith for your kind approval and necessary action at your end for forest clearance.

Thanking you.

Yours faithfully

Bikas Kumar Jha
