**Sub:** Submission of proposal of tree enumeration for road crossing for 220 KV D/C (HTLS) Nawada New - Gaya New (Khizarsarai) transmission line crossing at Hisua - Narhat - Khanwa - Siroala road under Nawada forest division, work associated with Strengthening of Transmission System in Bihar-Phase-IV (Part-1).

Dear Sir,

For strengthening of power transmission network in State of Bihar, Bihar State Power (Holding) Company Limited and Power Grid Corporation of India Limited have formed A Joint Venture Company in the name of Bihar Grid Company Limited (BGCL) on 50:50 Equity Participation Basis. Accordingly, BGCL had been issued the requisite Transmission License under Section 14 of Indian Electricity Act'2003 by Bihar Regulatory Commission and authorization conferred by Govt. Of Bihar for laying of transmission lines under section 68 & 164 of Indian Electricity Act'2003 for transmission scheme covered under Phase-IV Part-I and Part-II

The mentioned 220 KV D/C (HTLS) Nawada New - Gaya New (Khizarsarai) transmission line is for connectivity of new 220/132/33 KV Gas Insulated sub-station at Village - Hemara, Khizarsarai, Gaya. In the surveying, route alignment of this line great emphasis is given to avoid Forest and Environmental aspects. In view of above transmission line crossing Hisua - Narhat - Khanwa - Siroala road between mile stone 0 to 1 from Khanwa near village- Khanwa, Block- Narhat, Nawada; there is no (NIL) tree cutting requirement at mentioned road location sides maintained by Forest deptt. on the land of PWD/NHAI.

For the above, we have identified and marked such land on 1: 50000 Topo Sheet map of Survey of India. The list of Roads along with details of trees and area coming in line corridor have been prepared and enclosed herewith for your kind reference. All required documents in this regard are enclosed herewith for your kind approval and necessary action at your end for forest clearance.

Thanking you.

Yours faithfully
