

File No. : JA/SST/Mining Plan/ Dev. well/Dayalpur/2020-21

**Subject: Approval Sought for Mining Plan (oil and gas production profile) of two Development locations DPDS and DPDT in Dayalpur field from existing cluster.**

Oil and Natural Gas Corporation Limited, Jorhat Asset is planning to drill two development locations DPDS and DPDT in Dayalpur field of Golaghat District. These locations have been planned for drilling to augment oil and gas production after encouraging result of exploratory leads in Dayalpur field. The said land falls under Kasomarigaon PML (Addl. Area) & total granted PML area is 56 square Kilometres. These two locations are proposed to drill from existing cluster of Dayalpur field.

These two locations DPDS and DPDT are expected to contribute on an average of around 19 tons per day of oil and 3950m<sup>3</sup>/day of gas. The mining plan (oil and gas production profile) for the two development locations is tabulated as below:

Year	Oil (Tons/annum)	Gas (1000m3/annum)
2021-22	10950	1910
2022-23	10184	1812
2023-24	9471	1719
2024-25	8808	1630
2025-26	8191	1546
2026-27	7618	1467
2027-28	7085	1392
2028-29	6589	1320
2029-30	6127	1252
2030-31	5699	1188
2031-32	5300	1127
2032-33	4929	1069
2033-34	4584	1014
2034-35	4263	962
2035-36	3964	912
<b>Total</b>	<b>1,03,759</b>	<b>20,319</b>

Submitted for kind approval.
