The Collector,  
Nabarangpur.

Sub:- Submission of Joint enquiry report regarding compensatory afforestation for Implementation of a medium Irrigation project on Turi Guntat River of Nabarangpur Dist.

Ref:- 1) Letter No 2109 /2015 Dated 29/9/2015 of the Additional District Magistrate, Collectorate, Nabarangpur.

Madam,

In inviting to the letter cited above on the caption subject, I am to state that as per discussion made with the Collector, Nabarangpur for detail field enquiry about the Govt. land existed vide Khata No 417, Plot No 1577, Extent- 51.36 out of - 89.58 Acres, Kissam- Pahada, Mouza - Nuagora of Maliguda- R.I.circle under Nandahandi Tahasil. The Tahasildar. Nandahandi and Range Officer, ( Territory ) Nabarangpur have visited the spot on dated 05/10/2015 and made field enquiry that the above plot is suitable for compensatory a forestation in that Place ( A Xerox copy enclosed ) .

Besides that the villager of Nuagora have also given their consent for plantation on that Govt. plot, during my field enquiry. ( the villager statement is enclosed for kind reference ) . During my field enquiry along with the Revenue Supervisor , Revenue Inspector, Maliguda, R.I. circle and Amin of this Tahasil it is found that the said plot is free from Encroachment and there is no any valuable Tree growth .

Further, I am to state that the afore said Plot has been listed as Sairat Sources for last four ( 04 ) years as Stone quarry by the Tahasildar, Nandahandi . But the Stone quarry has not been auction sold nor Lease out in the Long term lease under OMMC. Rule 2004 & Revised - Rule - 2014 due to less quantity of Stone material available in scattered manner which is not viable for commercial extraction.

The proposal for extinction of this Stone quarry as per Paragraph - 51 of the MTA will be submitted by this office for due approval by the competent Authority . In view of the above fact & circumstances the said plot may be diverted to compensatory a forestation for implementation of medium Irrigation project on Turi Guntat River of Nabarangpur Dist.

This is for favour of kind information.

Yours faithfully,
