NO.A&AB/HR-ER/LAQ/1

Dated 12/05/2017

To
The Nodal Officer,
Guwahati,

Sub: Transportation plan of hydrocarbons produced, if any, during the initial production testing from exploratory location KSAD

It is to inform that no oil is produced during exploratory drilling. However, it is proposed that the mineral (hydrocarbons) surface during initial production testing, if any from exploratory location KSAD will be transported through tankers, from the well site to the nearest Group Gathering Station (GGS).

Regards

(Pradip Hazarika)
Chief Geologist
