SURVEY OF INDIA

1st Edition 2011.

Price: ₹ 77/-

CONVENTIONAL SYMBOLS

1991/2 *Restored. Hygiene*

NOTES :-

Height is in metres and shows initial notes seen first.

Season is as appropriate.

The following notes summarise along railway and include all sightings in short notes: *✓* = obvious milestone sightings are shown in upright type, e.g. *✓*

✓ Co-trials and unmarked notes in this area are generally available in dry season. Permission to use these along canals is required from the irrigation authorities.

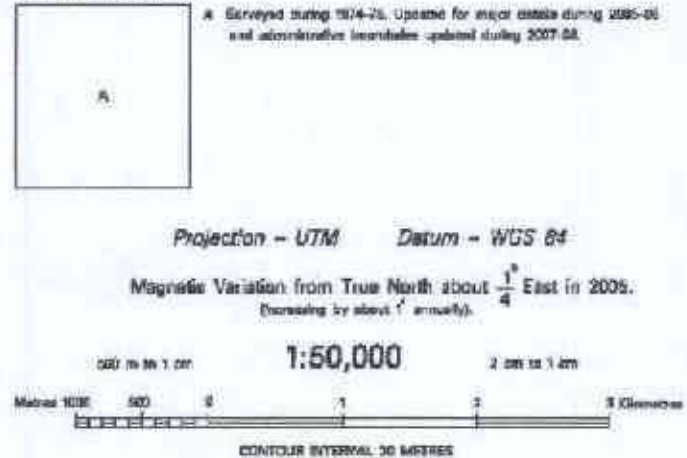

These, shown only in this area, usually extend from April to December.

Walls are sometimes damaged by the flood, only the important ones have been shown.

Notes concerning this area are generally provided from December to June at the points indicated as follows.

Areas left for cultivation also include of flood, includes the flood area as shown in Waikiki and a relative height, e.g. 10m, 50m, 100m, etc. to show the level of flood in metres.
