No.DMG/UKD/Crusher /2015-16 387

Office of the Deputy Director
Department of Mines & Geology,
UttaraKannada, Karwar.
Dated: 29-04-2015.

29 APR 2015

To

Nagaraj D.Vitthalkar
M/s.Raghavendra Stone Crushing Works
Hutgar village, Sirsi taluk.
Uttara Kannada District.

Sub: Prividing the documents of stone crusher application for online
submission to obtain Forest clearance to the approaching Forest
road . reg.

Ref: Your request Lr. Dated 28-04-2015.

With reference to the above, you are requested for the documents of crusher application progress which is applied in Sy.No.35 of Tattisar village, Sirsi taluk, Uttara Kannada District to obtain forest clearance for the forest road approaching to the proposed crusher unit. After receiving the application from you on 11-02-2015. The District Stone Crusher Licensing and Regulating Authority inspected your applied area to verify the **Safe Zone** norms as per rule 6(1) of Karnataka Regulation of Stone Crushers Act 2011, From the District Authority, Mines and Geology, Revenue, Forest and KSPCB officials inspected the applied area on 21-02-2015 and the area is compling the norms of the crusher Act. It was observed that, the approaching road to this landmark from the nearest panchayat road is passing through forest area, rest of all norms are compling. Hence this application is under process for consideration in District Stone Crusher Committee meeting to declare a safer zone after obtaining the forest department opinion.

Yours faithfully,

(Signature) 29/4/15
fv Deputy Director

Department of Mines & Geology
Uttara Kannada District, Karwar
