

Justification for locating the Project in Forest area

The Kachchh Branch Canal Crosses the Varsanana-Anjar NH-341 between 18 to 19 km. As the Kachchh Branch Canal Crossing the Varsanana-Anjar NHRB for extension of Kachchh Branch Canal up to tail Taluka Mundra of Kachchh. The Social Forestation Existing along the both side of NHRB Crossing the KBC.

At present Gujarat State Road & Building Dept(NH). Gandhinagar has taken the project of upgrade of Varsanana-Anjar State Highway as NH341, for upgrade of State Highway as NH341(four/Six Lane) R & B dept had acquired additional land on both the side of existing road. Earlier GSRDC had submitted the proposal for acquiring the land falling under Social Forest. **We submitting this proposal for the same land on both side of existing road as second user agency .**
