

CHECK LIST SERIAL NO.10

JUSTIFICATION FOR LOCATING THE PROJECT (C/O HOSPITAL BLOCK FOR DR. YSPGMC, NAHAN) IN FOREST AREA

For the C/o Hospital Block of Dr. YSPGMC, Nahan, Distt. Sirmaur, H.P, various alternatives were studied in detail, keeping in view the cost effectiveness, ecological disturbances etc. Three different areas (plots) were explored for construction of the above mentioned Project.

1st area (plot) was rejected due to large number of trees coming in this alignment.

2nd area (plot) was rejected due to the reason that the proposed project is far from the vicinity of the market as well as road and also maximum involvement of forest land is coming in this alignment.

3rd area (plot) was adopted because the site is nearby the vicinity of the market as well as road and involves minimum forest land in the proposed project. This site (plot) was found most suitable for the patient care and in the interest of large public.

No other viable alternative is available for the project, so it has to be as such being located in forest land. It is certified that every possibility has been explored and the final alignment has been requested in favour of proposed project i.e. C/o Hospital Block of Dr. YSPGMC, Nahan, Distt. Sirmaur, H.P.
