The Divisional Forests Officer
Forest Division
North Wayanad
Kerala

March 10, 2022

Subject: Permission for laying OFC and installation of MH in roads under North Wayanad Forest Division

Respected Sir

Jio Digital Fibre Private Limited (JDFPL), a subsidiary of the Reliance Industries Limited (RIL), the exclusive pan India Unified License holder, has launched the Fourth Generation (4G) telecom services, across India. 4G offers ultra-speed internet connectivity – efficiently equipped to revolutionize the communication network across India.

Your kind attention is invited to the above subject. We are planning to lay optical fibre cable by Trenching/HDD method and installation of MH for connecting our telecommunication tower which will enhance the connectivity and coverage and OFC redundancy connectivity in roads passing through and in an around North Wayanad Forest areas.

The routes are passing through the jurisdiction of North Wayanad Forest Divisions for an approximate length of 20 Kms (from Appappara to Thettu Road Junction and Kutta Border to Kattikulam), since there is no other alternate path which will connect our Cell sites. Regarding the project cost, an approximate amount of Rs. 3000000/- (Rupees Thirty Lakhs Only) will be the execution cost for laying OFC in the above said stretches.

For further communication please contact Mr. Vishnu V @ 7907091109 or write to us at Vishnu2.V@ril.com

Thanking you & assuring our best of Services always.

Yours Faithfully
