

### Justification and Detailed Note of the Project

M/s. **Torrent Gas Private Limited (TGPL)** gladly claim that we have been contributing in nation-wide revolution by introducing and executing various projects in City Gas Distribution (CGD) Network.

M/s. **Torrent Gas Private Limited (TGPL)** are pleased to inform that we have been authorized by **Petroleum and Natural Gas Regulatory board (PNGRB)**, VIDE schedule D dated 13<sup>th</sup> September 2018 to initialize and expand the concept of City Gas Distribution (CGD) and to supply a cleaner and greener fuel i.e **Natural Gas** for Commercial, Industrial and Domestic Needs in Sangareddy, Medak & Siddipet Districts.

As part of the CGD Project TGPL is planning to extend 12" pipeline from Vantimamidi to Kodakandla to replace other fuels used by various industries with cleaner gas. Forest Permissions are received work is in progress in the stretch outside of RF areas.

Accordingly ,the proposed route passing through the Narsamapally & Gajwel Shareef RFs was most important and was finalized as it is more feasible among different routes surveyed.

The extent of forest land required is as follows:

Division Name	Block Name	Component	Length in (Mtrs)	Width in (Mtrs)	Area in (Ha)
Siddipet	Gajwel Shareef	Laying of UG 12"(Ø300 mm) Steel Gas Pipeline in Narsampally & Gajwel Shareef RFs .	897.94	0.6	0.0539
Siddipet	Narsampally	Laying of UG 12"(Ø300 mm) Steel Gas Pipeline in Narsampally & Gajwel Shareef RFs	1606.61	0.6	0.0966
Siddipet	Narsampally	Laying of UG 12"(Ø300 mm) Steel Gas Pipeline in Narsampally & Gajwel Shareef RFs	1416.47	0.6	0.0850
Total			<b>3924.02</b>		<b>0.2355</b>
