**PROJECT NOTE & JUSTIFICATION**

Recognizing the need to develop good transport system, The Executive Engineer PWD No.2, Chandrapur has taken up important roads to improve the standards and to provide uninterrupted traffic flow. In addition, the project's focus is on enhanced safety, better riding surface & road geometry, traffic management and noticeable user facilities.

The Executive Engineer has initiated the action for preparation of detailed project report for upgrading the project village road to MDR configuration.

The project stretch of **village road -27** has been recently declared as MDR- 110 vide GR RVY/2018/CR153/NY-2 Dated 24.10.2018 . The MDR- 110 originates from SH 369 near Futana village. This project stretch starts from Futana village at Km 4+170 connecting Wadholi, Pipri Deshpande, Govardhan Velva Ashta, and ends at Km 9+550 near crossing of Chak Navegaon and Navegaon More at proposed Km 22+000 of SH 369. Out of 5.380 Kms total length of project stretch 2.60 Kms passing through one side forest area in Chandrapur District

Since it is not possible to change the alignment and the existing village road has to be utilized to the maximum extent, minimum land diversion is proposed at forest locations. Thus, the minimum forest land required for diversion is **2.3427 Ha.** compartment wise length and width has been mentioned in land statement.

As per the approx. estimated cost of project 1000 lacs, approx. 160000 man days will be generated through Construction of Chak Futana to Chak Navegaon Road in the State of Maharashtra.

Place:- Chandrapur
