Memo No. 4320 / W/CE/NH/

Date. 12/10/2015

To,

The Nodal Officer (FCA-1980)
Forest Department,
Aranya Bhawan, Medical College Road,
Raipur (C.G.)

Subject:- Submission of Cost Benefit Analysis for widening and upgrading to 2-lane of NH-163 (Old NH 202) from Bhopalpatnam to Tarlaguda in State of Chhattisgarh.

.....

National Highway No. 163 (Old NH-202) from Bhopalpatnam to Tarlaguda in 36.00 Km. length proposed for widening and upgrading to 2-lane under LWE scheme. In the above project of NH-163 some forest land is also being proposed for diversion under FCA-1980. You are well aware of the fact that we need enumeration of trees, timber quantity and fuel volume for preparation of cost benefit analysis. Which is prepared by the Forest Department after the preparation of exploitation Plan.

It is hereby, requested to exempt us for the submission of Cost Benefit Analysis at this juncture of applying FCA through online. We ensure to submit it at DFO Bijapur after the enumeration of trees.
