Subject:- Justification letter for Forest/Wild Life Land Diversion.

1. The project for construction of road from Kanthan to Sawalakote Part II, Package No JK14-559, Stage I, Length = 26.76 KM has been sanctioned under Phase XI. Some stretches of road pass through the Forest/Wild life areas. The road namely Kanthan to Sawalakote Part II has takeoff point from village Dhandli i.e. end point of Part Ist of the road. The construction of this road will benefit whole population of the area connecting 12 No of habitations of about 5000 souls.
2. Forest/Wild life area cannot be avoided as the alignment proposed is the only feasible alignment providing connectivity to the hamlets.
3. Hence, the diversion of the Forest/Wild life land is the only choice to construct the road.
