

BORDER ROADS ORGANISATION
MINISTRY OF DEFENCE
CHIEF ENGINEER, PROJECT UDAYAK, C/O 99 APO

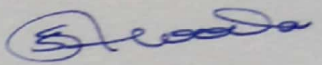

JUSTIFICATION LETTER FOR FOREST LAND DIVERSION FOR NON- FOREST USE

Border Road organisation Project Udayak has been entrusted for construction of Border Road Nampong - Vijaynagar by Ministry of Defense (MoD) Govt. of India in the state of Arunachal Pradesh. The proposed road Nampong - Vijaynagar is to be constructed in Changlang District in the state of Arunachal Pradesh. The approved alignment of this road falls under the forest area that needs to be acquired under the Forest Conservation Act 1980.

2. This road is strategically very important for the safety of our nation and will be used by military personals to reach the border and for carriage of goods and ammunition etc. to protect the Indian Territory. Diversion of forest land will be very essential and only option for construction of this road. This road will also benefit to civil population living along the alignment.

Road Name	Length in Km	Origin (Km 30.000)		Tentative Destination (Km 138.360)	
		Longitude	Latitude	Longitude	Latitude
Nampong- Vijaynagar	108.360	E-96°20'53.29"	N-27°19'14.56"	E-97°00'21.64"	N-27°11'25.81"
