AREA OF WATER CONVEYANCE PIPE LINE
 8.76 HECTARES
 SCALE: 1:5000
 DATE: 10/10/2010
 DRAWN BY: [Signature]

- DATE Survey of forest area proposed for diversion by water conveyance pipe line of the Kandigalla R.E. has been carried out by an officer engaged through the Kandigalla R.E. Officer.

- The proposed survey coordinates are verified by using GPS and using forest area proposed for diversion has been verified with using GPS and forest area has been found correct with a difference of 0.01%.

- The total forest area proposed for diversion comes in one piece under Kandigalla R.E. and with an area of 8.76 hectares. The area is situated in the Kandigalla R.E. and is under the control of the Kandigalla R.E. Officer.
