CHECK LIST SERIAL NUMBER-9

JUSTIFICATION FOR LOCATING THE PROJECT IN FOREST AREA

For the construction/establishment of Fruit Plant Nutrition Laboratory the department required 0-11-55 ha land for this purpose. At present the department has only 0-01-24 ha of land in his name which is not sufficient for construction of Laboratory. It is, therefore, proposed that 0-10-31 Ha of forest land is required for construction of Fruit Plant Nutrition Laboratory at Dabbi (Thanedhar). This Laboratory is being constructed to provide facility of leaf analysis of fruit plants of the orchardists of the Development Block, Narkanda and adjoining block of Shimla district and Kullu which not only solve the nutrition problems of the area and also will boost the economy by way of increasing the production of the fruit crops of this area. Therefore, construction of this laboratory 0-10-31 Ha of forest land is required to be diverted to the department in public interest.
