

## Annexure -IX

**NAME OF WORK:-** Proposal for 0.861 Ha. Social Forestry for Permission Drinking Water Pipeline under Programme Jal Jeevan Mission & Nal Se Jal Scheme in Various villages Harshdpur Ramnagar and DharampurTal.Jamkhambhalia Dist.Devbhoomidwarka in Gujarat State.

### **Justification for the locating project in the forest area**

Drinking water is the main problem of the area under proposal. According to the flagship programme of GOI Nal Se Jal under Jal Jeevan Mission.District Water And Sanitation Unit – WASMO has proposed to lay underground water pipeline in this area to reduce this problem. As the surrounding area of the above route is notified as social forestry area and there is no any other alternate route possible for this work to avoid the forest area.Our office undertake that demanded Forest area 0.861 Ha. is barest minimum and unavoidable.
