

## **JUSTIFICATION**

The Daman District is situated on west coast of Arabian Sea & is 200 km away from Mumbai and is surrounded by Valsad District of Gujarat State in North, East and South. Due to its Scenic beauty and Historic Places & Monuments, it is famous tourist Destination on western region of India and many tourists are visiting the Daman District frequently.

There are Beautiful beaches on the coastal area of Daman District. One of them is Jampore Beach with its Scenic beauty & is very famous tourist place and numbers of Tourists are visiting this beach. At present U.T. Administration of Daman developed a Jampore Sea Front from Jampore Beach to Moti Daman Jetty via light house. This Sea Front is a popular tourist destination now a day. There is an existing village road of 3.00mt width connecting this Sea Front which needs to be widen up to 10.5mt width for a better connectivity to this Sea Front. For widening of this road, some area of forest land of admeasuring 0.2728Hect is involved. There is no other alternative available for this widening of road.
