Sub:- Justification letter for forest land diversion

1. The project for **construction of road from Kha to Kherian** having length 12.00 Kms sanctioned under CRF funded by Languishing programme with LUP No. 2715. The proposed road is a village road connecting villages Kandi, Kha, Kherian Mathyun Kote Gali, I Gala, Marutha with motorable link. It takes off from PMGSY Road Kandi Kha. The road shall benefit population of about 8000 souls who have to track on foot to reach to the roadside at present and all the commodities required are transported manually using ponies. The road shall pass through hilly terrain. 3.30 Km of road passes through Forest Area.
2. Forest area cannot be avoided as the alignment proposed is the only feasible alignment providing vital connectivity to the hamlets.
3. Hence the diversion of the forest land comprising of 2.28 hectares is the only option to construct this road.
