**The District Forests Officer,**  
South Wayanad,  
Kerala.

**Subject:** Permission for laying OFC and installation of MH in roads coming under Wayanad PWD Road Division passing through South Wayanad Forest Divisions.

Sir,

Jio Digital Fibre Private Limited (JDFPL), a subsidiary of the Reliance Industries Limited (RIL), the exclusive pan India Unified License holder, has launched the Fourth Generation (4G) telecom services, across India. 4G offers ultra-speed internet connectivity – efficiently equipped to revolutionize the communication network across India.

Your kind attention is invited to the above subject. We are planning to lay optical fiber cable by Trenching/HDD method and installation of MH for connecting our telecommunication tower which will enhance the connectivity and coverage and OFC redundancy connectivity in forest area. The routes are passing through South Wayanad Forest Divisions for a total length of 9 Kms and there is no other alternate path which will connect our Cell sites. Regarding the project cost, an approximate amount of Rs. 300000/- will be the execution cost for laying OFC in the above said stretches.

For further communication please contact Mr. Ajesh N Rajan # 8129707479 or write to us at [vishnu2.v@ril.com](mailto:vishnu2.v@ril.com).

Thanking you & assuring our best of Services always.

Yours Faithfully
