

JUSTIFICATION CERTIFICATE

1. Temples at Maddilety Swamy near R.S. Rangapuram and Yaganti Swamy at Yaganti are very ancient temples and pilgrims visit the temples through out the year.
2. These temples are located in hilly areas and no direct road is not yet provided. These temples can be connected if the road is laid for length of 11.30 KM.
3. At present, another temple can be accessed with a road connection of about 50.00 KM. By providing proposed road, the length will be reduced to 11.30 KM which can reduce not only length but time and fuel consumption.
4. Above all, 2 unconnected habitations i.e, Fathenagar and Katikavanikunta will be also be connected by all whether road.
5. This road provided access to formers to transport the ^{Wg}produce to Banaganapalli market yard at a short length.
