JUSTIFICATION FOR LOCATING THE PROJECT IN FOREST LAND

Project Name: Proposal for "Construction of 220 Kilo Volt Single Circuit Transmission Line from existing 220/66/11 Kilo Volt Sub-Station, Badaladku Village, Kudligi Taluk to M/s Resources Pellets Concentrates Private Limited, Somalapura Village, Sandur Taluk, Ballari district, for length of 27.90 Km. out of which a length of 1.48 km corridor of 5.1734 Ha, falling in forest land with survey No's, Sy.No.165/B of Somalapura Village and Sy.No.1/B of Ankammanahallu Village, Choranuru Hobli, Sandur Taluk, Ballari district, Karnataka.

As the project area is surrounded by forest land, the diversion of forest land is unavoidable. The proposed land will help in obtaining power supply to our ongoing project of establishment of Iron ore pelletisation plant near Somlapura village, Sandur Taluk, Ballary District. This project intends to create a lot of job opportunities to the locals, thereby improving the socio-economic standards and existing infrastructure facilities in the area. This project would definitely enhance the financial resources of the state through collection of various applicable taxes.

Yours faithfully,

For M/s Resources Pellets Concentrates Private Limited (RPCL),

Umesh Bhat
