JUSTIFICATION LETTER FOR FOREST LAND DIVERSION

1. The project for const. of Narore to Kainthgali road km 1st to 5th RD 100 had been proposed under NABARD RIDF-XXIII and is being executed by PWD. Some stretches of this road i.e. km km 2nd RD 700 to km 4th RD 600 pass through forest area. The said road from Narore to Kainthgali takes off from km 7th PMGSY link road which is connected to Gandala Tirshi road km 5th. Gandala Tirshi road is connected to Sambal Gadnala road under PMGSY at km 8th which is connected km 65th of NH-1A. The road passes through the villages such as Upper Chakhar, Sambal, Tirshi, Narore, Kainthgali etc. Covering population of more than 10000 souls and also serves as circular road/ alternate road to Tehsil HQ Pancheri & Mongri.

This road connects three assembly segments namely Udhampur, Chenani & Reasi and acts as a life line for the vast area. As the area is backward & lacks all modern amenities and will boost/ enhance the living standard of the public of the area by constructing good road.

2. Forest area cannot be avoided as the alignment proposed is the only feasible alignment providing vital connectivity to the hamlets as this a Upgradation of existing single lane road.
3. Hence, the diversion of the forest area land is the only choice to construct the road.
