

-:: AUTHORITY LETTER ::-

Diversion of 0.0495 ha. of forest land for laying underground pipeline for potable drinking water supply purpose from Chitravad (Gir) Govt Bin No. West Land of Hiran river to R.S.No.156/pt-9 of Chitravad (Gir) Village, Taluka:-Talala, District:- Gir Somnath, Gujarat State.
(ha.0.0495 use of forest land)

I Shree Vikrant Arunbhai Bhatt would like to inform you that, I am a farmer in the village of Chitravad (Gir), Taluko Talala, District Gir Somnath, I am owner of the 0.80.93 hectare Agriculture land of Survey No. No.156/pt.9 of Chitravad (Gir) village. There is a big problem with potable drinking water in our farm. There is no available drinking water facility by far. because of which I have been in trouble for many years. so Thet acar 0.02 Gutha Govt west land of Chitravad (Gir) S.No. Govt Bin No West Land of Hiran river allotted to me from Mamlatdar Talala office order No.Lnd/vashi/745/2.guntha/kuvo-falavani/2022 Dt.19/03/2012. The drinking water supply through underground pipeling But the forest area comes in pipeline's route. (The route of the pipeline is parallel to the road) there fore, it is necessary to make a proposal under forest conservation Act. 1980 for obtaining prior permission from the competent authority.

In the circumstances outlined above, under the Forest Conservation Act of 1980 necessary proposals are being prepared for seeking prior permission from the competent authority, in this regard no other person has to give authority because I am the owner of the farm & I'm proposing so no one has been given the authority.

Your faithfully

Vikrant Bhatt
