

JUSTIFICATION FOR USING FOREST LAND

'Kottyadi' is the meeting point of the interstate roads Cherkala Jalsoor and Puthur Adoor in delampady panchayath. There are no basic facilities for the public such as latrine, bus waiting shed, hotels or shops. Panchayath possesses 5 cent land at Kottyadi. There is no private land or revenue land at Kottyai. The panchayath has decided to build a commercial centre in this place to solve the troubles of the people. 0.5 Hecter forest land is required to build the commercial building. It is very suitable and convenient land for the above purpose. Hence it is proposed to use the forest land.
